OF THE
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

RESOLUTION NO. 09-50

Establishment of Audit Committee

WHEREAS, the Central Texas Regional Mobility Authority ("CTRMA") was created pursuant to the request of Travis and Williamson Counties and in accordance with provisions of the Transportation Code and the petition and approval process established in 43 Tex. Admin. Code § 26.01, *et seq.* (the "RMA Rules"); and

WHEREAS, the Board of Directors of the CTRMA has been constituted in accordance with the Transportation Code and the RMA Rules; and

WHEREAS, Section 16 of the CTRMA Bylaws (the "Bylaws") provides that the Chairman and/or the Board of Directors may designate from among the Directors one or more ad hoc or standing committees; and

WHEREAS, Section 16 of the Bylaws further provides that a committee shall have and may exercise all of the authority of the Board if approved by a Resolution passed by a majority vote of the Board, to the extent provided in such Resolution; and

WHEREAS, the CTRMA has an independent external audit performed every year at the conclusion of its fiscal year on June 30; and

WHEREAS, in order to further ensure the responsible and transparent oversight of the CTRMA's management and use of funds, the establishment of an Audit Committee consisting of all of the members of the Board of Directors is desired; and

WHEREAS, it is desirable that the Audit Committee have the authority to cause any and all aspects of the finances of the CTRMA to be reviewed and audited by an independent third party at such times as deemed necessary by the Audit Committee, in addition to the fiscal year audit, and that the Audit Committee be a resource for all issues relating to the accounting and fiscal matters of the CTRMA; and

WHEREAS, the Audit Committee shall review financial statements developed and issued by the Authority and monitor, oversee and revise internal control processes as deemed necessary to ensure the existence of accurate and efficient accountability of Authority funds and expenditures; and

WHEREAS, the Audit Committee shall promote and ensure open dialogue, communication and cooperation exists between the Authority, management, external and other appropriate auditing entities, the Board and the public; and

WHEREAS, the Board of Directors desire that all members of the Board of Directors serve as members of the Audit Committee, with the Chair of the Audit Committee being a member of the Board other than the Chairman of the Board and shall be elected as determined by a majority vote of the Audit Committee.

NOW THEREFORE, BE IT RESOLVED, that the Chairman and the Board of Directors hereby establish the Audit Committee for the purposes stated herein and with all of the power and authority described herein and as required to achieve the goals and standards stated herein; and

BE IT FURTHER RESOLVED, that all members of the Board of Directors serve as members of the Audit Committee, with the Chair of the Audit Committee being a member of the Board other than the Chairman of the Board and elected by a majority vote of the Audit Committee; and

BE IT FURTHER RESOLVED, that the Audit Committee shall be a standing committee with the functions and authority described herein, and such Committee is to have a continuing existence, unless and until the Board of Directors otherwise determines by subsequent Resolution.

Adoption of this Resolution shall be considered delivery of same to the Secretary of the CTRMA and the provisions hereof shall be entered in the official records of the CTRMA as a notation in the Minutes of this Board Meeting.

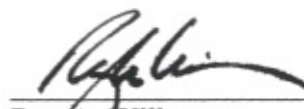

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 31st day of July, 2009.

EXHIBIT 1 TO
AUDIT COMMITTEE RESOLUTION 13-
SINGLE AUDIT REPORT

September 27, 2013

To the Board of Directors of
Central Texas Regional Mobility Authority:

We have audited the financial statements of Central Texas Regional Mobility Authority (the “Authority”) for the year ended June 30, 2013, and have issued our report thereon dated September 27, 2013. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 23, 2013. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Central Texas Regional Mobility Authority are described in Note 1 to the financial statements. As described in Note 1, the Authority changed accounting policies related to accounting for bond issuance costs by adopting Governmental Accounting Standards Board (“GASB”) Statement No. 65 “Items Previously Reported as Assets and Liabilities”, in 2013. Accordingly, the accounting change has been retrospectively applied to prior periods presented as if the policy had always been used. We noted no transactions entered into by the Authority during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Depreciable lives of fixed assets. We evaluated the key factors and assumptions used to develop the depreciable lives in determining that they are reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

- The most sensitive disclosure affecting the financial statements was the disclosure regarding the adoption of GASB Statement No. 65 “Items Previously Reported as Assets and Liabilities” and the subsequent restatement of the 2012 financial statements in Note 1 of the financial statements. The disclosure reports the updated guidance for debt issuance costs. Such debt issuance costs, except any portion related to prepaid insurance costs, are required be recognized as an expense in the period incurred. The Authority adopted GASB No. 65 which was retroactively applied to the 2012 financial statements.
- The most sensitive disclosure affecting the consolidated financial statements was the long term debt disclosure at Note 4 to the financial statements. The disclosure reports the issuance of 2013 Bond Obligations which were used to pay down the 2005 bond obligation, the TIFIA loans and part of the 2010 bond obligations.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements and are included in Appendix A. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated **September 27, 2013** and is included in Appendix B.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Company's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Company's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of Board of Directors and management of Central Texas Regional Mobility Authority and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

We are providing this letter in connection with your audits of the financial statements of Central Texas Regional Mobility Authority ("Authority") as of June 30, 2013 and 2012 and for the years then ended for the purpose of expressing opinions as to whether the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Authority and the respective changes in financial position and, where applicable, cash flows thereof in conformity with U.S. generally accepted accounting principles. We confirm that we are responsible for the fair presentation of the previously mentioned financial statements in conformity with U.S. generally accepted accounting principles. We are also responsible for adopting sound accounting policies, establishing and maintaining effective internal control over financial reporting, and preventing and detecting fraud.

We confirm, to the best of our knowledge and belief, as of September 27, 2012, the following representations made to you during your audit(s).

- 1) The financial statements referred to above are fairly presented in conformity with U.S. generally accepted accounting principles and include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
- 2) We have made available to you all—
 - a) Financial records and related data and all audit or relevant monitoring reports, if any, received from funding sources.
 - b) Minutes of the meetings of Authority or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 3) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 4) There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements or the schedule of expenditures of federal awards.
- 5) We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud.
- 6) We have no knowledge of any fraud or suspected fraud affecting the entity involving:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 7) We have no knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, analysts, regulators, or others.
- 8) The Authority has no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or equity.
- 9) The following, if any, have been properly recorded or disclosed in the financial statements:

- a) Related party transactions, including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees.
 - b) Guarantees, whether written or oral, under which the Authority is contingently liable.
 - c) All accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates and measurements. We believe the estimates and measurements are reasonable in the circumstances, consistently applied, and adequately disclosed.
- 10) We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts, or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
- 11) There are no—
- a) Violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
 - b) Unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with FASB Accounting Standards Codification 450, Contingencies (formerly Statement of Financial Accounting Standards No. 5)
 - c) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB Accounting Standards Codification 450, Contingencies (formerly Statement of Financial Accounting Standards No. 5).
 - d) Reservations or designation of fund equity that were not properly authorized and approved.
- 12) As part of your audit, you prepared the draft financial statements and related notes. We have designated an individual with suitable skill, knowledge, or experience to oversee your services and have made all management decisions and performed all management functions. We have reviewed, approved, and accepted responsibility for those financial statements and related notes.
- 13) The Authority has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 14) The Authority has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 15) We have followed all applicable laws and regulations in adopting, approving, and amending budgets.
- 16) The financial statements properly classify all funds and activities.
- 17) Net asset components (invested in capital assets, net of related debt; restricted; and unrestricted) and fund balance reserves and designations are properly classified and, if applicable, approved.
- 18) Provisions for uncollectible receivables have been properly identified and recorded.
- 19) Deposits and investment securities are properly classified as to risk, and investments are properly valued.
- 20) Capital assets, including infrastructure assets, are properly capitalized, reported, and, if applicable, depreciated.
- 21) Required supplementary information (RSI) is measured and presented within prescribed guidelines.

We have evaluated and classified any subsequent events as recognized or nonrecognized through the date of this letter. No events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements [or in the schedule of findings and questioned costs].

 - 16) We have followed all applicable laws and regulations in adopting, approving, and amending budgets.
 - 17) The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations.
 - 18) The financial statements properly classify all funds and activities.
 - 19) All funds that meet the quantitative criteria in GASB Statement Nos. 34 and 37 for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.
 - 20) Components of net assets (invested in capital assets, net of related debt; restricted; and unrestricted), nonspendable fund balance, and restricted, committed, assigned, and unassigned fund balance are properly classified and, if applicable, approved.
 - 21) Investments, derivative transactions, and land and other real estate held by endowments are properly valued.
 - 22) Provisions for uncollectible receivables have been properly identified and recorded.
 - 23) Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.
 - 24) Revenues are appropriately classified in the statement of activities within program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
 - 25) Deposits and investment securities and derivative transactions are properly classified as to risk and investments are properly valued.
 - 26) Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated.

- 27) We have appropriately disclosed the Authority's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available and have determined that net assets were properly recognized under the policy.
- 28) We have appropriately disclosed the Authority's accounting policy regarding which resources (that is, restricted, committed, assigned, or unassigned) are considered to be spent first for expenditures for which more than one resource classification is available. That policy determines the fund balance classifications for financial reporting purposes.
- 29) We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
- 30) We have evaluated the Authority's ability to continue as a going concern and have included appropriate disclosures, as necessary, in the financial statements.
- 31) With respect to federal award programs:
- a) We are responsible for understanding and complying with, and have complied with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, including requirements relating to preparation of the schedule of expenditures of federal awards.
 - b) We have prepared the schedule of expenditures of federal awards in accordance with OMB Circular A-133, and have identified and disclosed in the schedule expenditures made during the audit period for all awards provided by federal agencies in the form of grants, federal cost-reimbursement contracts, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other assistance.
 - c) We acknowledge our responsibility for presenting the schedule of expenditures of federal awards (SEFA) in accordance with the requirements of OMB Circular A-133 §310.b, and we believe the SEFA, including its form and content, is fairly presented in accordance with the Circular. The methods of measurement and presentation of the SEFA have not changed from those used in the prior period and we have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the SEFA.
 - d) We have identified and disclosed to you all of our government programs and related activities subject to OMB Circular A-133.
 - e) We are responsible for understanding and complying with, and have complied with the requirements of laws, regulations, and the provisions of contracts and grant agreements related to each of our federal programs and have identified and disclosed to you the requirements of laws, regulations, and the provisions of contracts and grant agreements that are considered to have a direct and material effect on each major program.
 - f) We are responsible for establishing and maintaining, and have established and maintained, effective internal control over compliance requirements applicable to federal programs that provides reasonable assurance that we are managing our federal awards in compliance with laws, regulations, and the provisions of contracts and grant agreements that could have a material effect on our federal programs. We believe the internal control system is adequate and is functioning as intended.
 - g) We have made available to you all contracts and grant agreements (including amendments, if any) and any other correspondence with federal agencies or pass-through entities relevant to federal programs and related activities.
 - h) We have received no requests from a federal agency to audit one or more specific programs as a major program.
 - i) We have complied with the direct and material compliance requirements (except for noncompliance disclosed to you), including when applicable, those set forth in the *OMB Circular A-133 Compliance Supplement*, relating to federal awards and have identified and disclosed to you all amounts questioned and all known noncompliance with the requirements of federal awards.
 - j) We have disclosed to you any communications from grantors and pass-through entities concerning possible noncompliance with the direct and material compliance requirements, including communications received from the end of the period covered by the compliance audit to the date of the auditor's report.

- k) We have disclosed to you the findings received and related corrective actions taken for previous audits, attestation engagements, and internal or external monitoring that directly relate to the objectives of the compliance audit, including findings received and corrective actions taken from the end of the period covered by the compliance audit to the date of the auditor's report.
 - l) Amounts claimed or used for matching were determined in accordance with relevant guidelines in OMB Circular A-87, *Cost Principles for State, Local, and Tribal Governments*, and OMB's *Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments*.
 - m) We have disclosed to you our interpretation of compliance requirements that may have varying interpretations.
 - n) We have made available to you all documentation related to compliance with the direct and material compliance requirements, including information related to federal program financial reports and claims for advances and reimbursements.
 - o) We have disclosed to you the nature of any subsequent events that provide additional evidence about conditions that existed at the end of the reporting period affecting noncompliance during the reporting period.
 - p) There are no known instances of noncompliance with direct and material compliance requirements that occurred subsequent to the period covered by the auditor's report.
 - q) No changes have been made in internal control over compliance or other factors that might significantly affect internal control, including any corrective action we have taken regarding significant deficiencies in internal control over compliance (including material weaknesses in internal control over compliance), have occurred subsequent to the date as of which compliance was audited.
 - r) Federal program financial reports and claims for advances and reimbursements are supported by the books and records from which the financial statements have been prepared.
 - s) The copies of federal program financial reports provided you are true copies of the reports submitted, or electronically transmitted, to the respective federal agency or pass-through entity, as applicable.
 - t) We have charged costs to federal awards in accordance with applicable cost principles.
 - u) We are responsible for and have accurately prepared the summary schedule of prior audit findings to include all findings required to be included by OMB Circular A-133 and we have provided you with all information on the status of the follow-up on prior audit findings by federal awarding agencies and pass-through entities, including all management decisions.
 - v) We are responsible for and have accurately prepared the auditee section of the Data Collection Form as required by OMB Circular A-133.
 - w) We are responsible for taking corrective action on each audit finding.
- 32) We have evaluated and classified any subsequent events as recognized or nonrecognized through the date of this letter. No events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements or in the schedule of findings and questioned costs.

Single Audit Report
Year Ended June 30, 2013

(With Independent Auditors' Report Thereon)

DRAFT

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit Of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors
Central Texas Regional Mobility Authority:

We have audited the financial statements of Central Texas Regional Mobility Authority (Authority) as of and for the year ended June 30, 2012, and have issued our report thereon dated **September 27, 2013**. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by OMB Circular A-133

To the Board of Directors
Central Texas Regional Mobility Authority:

Report on Compliance for Each Major Federal Program

We have audited Central Texas Regional Mobility Authority's (the "Authority") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended June 30, 2013. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, Central Texas Regional Mobility Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

Report on Internal Control over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned

functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Authority, as of and for the year ended June 30, 2103, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements. We issued our report thereon dated September 27, 2013, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

Central Texas Regional Mobility Authority
Management's Discussion and Analysis
Years Ended June 30, 2013 and 2012

This section of the Central Texas Regional Mobility Authority (the "Authority") financial report presents our discussion and analysis of the Authority's financial performance during the fiscal year that ended June 30, 2013. Please read it in conjunction with the Authority's financial statements, which immediately follow this section.

FINANCIAL HIGHLIGHTS

- The Authority restated its 2012 and 2011 financial statements to be in compliance with the recent accounting pronouncement of Governmental Accounting Standards Board ("GASB") Statement No. 65, "Items Previously Reported as Assets and Liabilities".
- GASB Statement No. 65 established updated guidance for debt issuance costs and indicated that debt issuance costs except any portion related to prepaid insurance costs, are required be recognized as an expense in the period incurred, this lead to a \$10 million adjustment to the Authority's 2012 asset and net asset balance.
- The Authority issued Series 2013A Senior Lien Revenue Refunding Bonds, Series 2013B Senior lien Revenue Refunding Put Bonds, and Series 2013 Subordinate Lien Revenue Refunding Bonds, collectively called the Series 2013 Obligations, on May 16, 2013.
- The 2013 Obligations were used to pay down the 2005 Current Interest Bonds (Series 2005 CIBs), Convertible Capital Appreciation Bonds (Convertible CABs), 2010 Subordinate Lien Revenue Build America Bonds (Subordinate Lien BABs), TIFIA bonds.
- The remaining Bonds payable balances related to the 2010, 2011 and 2013 and have a combined outstanding balance of \$779 million as of June 30, 2013. The bonds are repayable over the next 15 years, 35 years, and 17 years, respectively.
- Construction in progress decreased by \$68.1million from 2012 to 2013 in part due to completion of construction contracts and movement of completed construction into property, toll road and equipment
- Total Investments decreased by \$146.7 million from 2012 to 2013. Restricted investments decreased by \$150.5 million which was offset by an increase in unrestricted investments by \$3.8million. The overall decrease in investments was largely due to a reduction in the U.S. Government Agency Securities and the TexSTAR Investment Pool.
- Total operating expenses were approximately \$24.8 million and \$17.1 million in 2013 and 2012, respectively.
- Total construction in progress was approximately \$301.7 million, and \$364.8 million as of June 30, 2013 and, 2012 respectively.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial section of this annual report consists of two parts: management's discussion and analysis (this section), and the basic financial statements, the notes to the financial statements, and the supplemental schedule.

The financial statements provide both long-term and short-term information about the Authority's overall financial status. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

The Authority's financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units on an accrual basis. Under this basis, revenues are recognized in the period in which they are earned, expenses are recognized in the period in which they are incurred, and depreciation of assets is recognized in the statements of revenues, expenses, and changes in net assets. All assets and liabilities associated with the operation of the Authority are included in the statements of net assets.

FINANCIAL ANALYSIS OF THE AUTHORITY

Net Assets

The Authority's total net assets were approximately \$172 million, \$94 million, and \$80.3 million, as of June 30, 2013, 2012, and 2011, respectively (See Table A-1). In 2013, total assets increased 9.76% to \$998.3 million and total liabilities increased 1.37% to \$826.6 million resulting in an increase of 82.56% in total net assets. The increase of \$77.6 million is the result of 2013 operating income of \$77.6 million.

Long-Term Debt

The Authority issued its Series 2005 Senior Lien Revenue Bonds and Series 2005 Subordinate Lien Revenue Bond Anticipation Notes (Series 2005 Subordinate Lien BANs) on March 2, 2005, collectively called the Series 2005 Obligations. The Series 2005 Senior Lien Revenue Bonds were issued in part as Current Interest Bonds (Series 2005 CIBs) and in part as Convertible Capital Appreciation Bonds (Series 2005 Convertible CABs).

The proceeds from the Series 2005 Obligations were used to: i) finance a portion of the costs of planning, designing, engineering, developing, and constructing the interim phase of the 183-A Turnpike Project, ii) pay a portion of the costs of studying, evaluating, and designing additional turnpike projects within the Authority's jurisdiction, iii) pay capitalized interest with respect to the Series 2005 Obligations, iv) fund a debt service reserve fund for the Series 2005 Senior Lien Revenue Bonds, v) provide working capital to the Authority, and vi) pay the issuance costs of the Series 2005 Obligations.

The Series 2005 CIBs and Series 2005 Convertible CAB's were refunded and defeased in whole by the Authority on May 16, 2013 with portion of the proceeds of the Series 2013A Senior Lien Revenue Refunding Bonds and the Series 2013B Senior Lien Revenue Refunding Put Bonds, and other lawfully available funds of the Authority.

The U.S. Department of Transportation agreed to lend the Authority up to \$66 million (TIFIA Bond) to pay or reimburse a portion of the costs of the 2005 Project, including any refinancing of the Series 2005 Subordinate Lien BANs, under a secured loan agreement between the Authority and the U.S. Department of Transportation.

On January 1, 2008, the Authority borrowed the entire balance of the \$66 million TIFIA Bond to pay down the Series 2005 Subordinate Lien BANs in full. The maturity date of the TIFIA Bond is January 1, 2042. Interest on the TIFIA Bond accrued at an annual rate of 4.69% with interest payable each January 1 and July 1, commencing January 1, 2012.

The 2005 TIFIA Bond was refunded and prepaid in whole by the Authority on June 5, 2013 with a portion of the proceeds of the Series 2013A Senior Lien Revenue Refunding Bonds and the Series 2013 Subordinate Lien Revenue Refunding Bonds, issued by the Authority on May 16, 2013 and other lawfully available funds of the Authority.

The Authority issued its Series 2010 Senior Lien Revenue Bonds and Taxable Series 2010 Subordinate Lien Revenue Bonds (Build America Bonds – Direct Subsidy) (Series 2010 Subordinate Lien Bonds) on March 1, 2010, collectively called the Series 2010 Obligations. The Series 2010 Senior Lien Revenue Bonds were issued in part as Current Interest Bonds (Series 2010 CIBs) and in part as Capital Appreciation Bonds (Series 2010 CABs).

On August 1, 2010, the Authority issued its Revenue Notes, Taxable Series 2010 (Build America Bonds – Direct Subsidy) in an aggregate principal amount of \$60 million (Series 2010 Notes). The proceeds were used to: (i) pay a portion of the Costs of the 290 East Project, and (ii) pay certain issuance costs of the Series 2010 Notes. The Series 2010 Notes were redeemed in full from proceeds of the Series 2011 Senior Lien Revenue Bonds issued by the Authority in 2011, as described below.

The proceeds from the Series 2010 Obligations were used to: to (i) finance a portion of the costs of the 183A Phase II Project, (ii) currently refund and redeem, in whole, the Authority's outstanding Revenue Notes, Taxable Series 2009, (iii) pay capitalized interest with respect to the Series 2010 Obligations, (iv)

make a deposit to the Senior Lien Debt Service Reserve Fund and the Subordinate Lien Debt Service Reserve Fund, and (v) pay certain issuance costs of the Series 2010 Obligations.

The Series 2010 Subordinate Lien BABs were refunded and redeemed in whole by the Authority on June 5, 2013 with a portion of the proceeds of the Series 2013 Subordinate Lien Revenue Refunding Bonds issued by the Authority on May 16, 2013, and other lawfully available funds of the Authority

The Authority issued its Series 2011 Senior Lien Revenue Bonds and Series 2011 Subordinate Lien Revenue Bonds on June 29, 2011, collectively called the Series 2011 Obligations. The Series 2011 Senior Lien Revenue Bonds were issued in part as Current Interest Bonds (Series 2011 CIBs) and in part as Capital Appreciation Bonds (Series 2011 CABs).

A portion of the proceeds from the Series 2011 Obligations was used to (i) prepay the SIB Loan in full, (ii) redeem the Series 2010 Notes in whole, (iii) pay capitalized interest with respect to the Series 2011 Obligations, (iv) make a deposit to the Senior Lien Debt Service Reserve Fund and the Subordinate Lien Debt Service Reserve Fund and (v) pay certain issuance costs of the Series 2011 Obligations. The remaining proceeds of the Series 2011 Obligations will be used to finance a portion of the costs of the Manor Expressway Phase II Project and as otherwise authorized in the Indenture.

In December 2011, the Authority entered into a Secured Loan Agreement with a bank for a secured draw down note facility in an aggregate amount up to \$5 million (Draw Down Note). The Draw Down Note bears interest at the one-month LIBOR rate plus 2.85%. The Draw Down Note matures on December 15, 2015 and requires monthly interest payments on outstanding balances. Certain funds of the Authority are collateral for the Draw Down Note.

Proceeds from the Draw Down Note are to be used to pay (i) expenses of studying the cost, design, engineering, and feasibility of transportation projects, (ii) expenses associated with securing the Draw Down Note, and (iii) the reimbursement to the Authority of costs attributable to certain preliminary cost and feasibility and other expenses relating to the preparation of financing of the transportation projects incurred prior to the execution of the Draw Down Note.

The Authority issued its Series 2013A Senior Lien Revenue Refunding Bonds (Series 2013A Senior Lien Bonds), Series 2013B Senior Lien Revenue Refunding Put Bonds (Series 2013B Senior Lien Put Bonds), and Series 2013 Subordinate Lien Revenue Refunding Bonds (Series 2013 Subordinate Lien Bonds), collectively called the Series 2013 Obligations, on May 16, 2013.

The proceeds from the Series 2013 Obligations were used to (i) refund the Series 2005 Senior Lien Revenue Bonds, the 2005 TIFIA Bond, and the Series 2010 Subordinate Lien BABs, (ii) make a deposit to the Subordinate Lien Debt Service Reserve Fund, and (iii) pay certain issuance costs of the Series 2013 Obligations.

On June 27, 2013, the Authority entered into a Secured Loan Agreement with a Bank ("2013 Note") for an aggregate principal amount not to exceed \$5,300,000 (the "Loan"). The Loan bears interest at 2.25% per annum and matures on January 1, 2019. The loan requires semiannual interest payments on the outstanding balance. Certain funds of the Authority are collateral for the Loan.

Proceeds from the Loan are to be used to pay (i) expenses of studying the cost, design, engineering, and feasibility of transportation projects, (ii) expenses associated with securing the Loan, and (iii) the reimbursement to the Authority of costs attributable to certain preliminary cost and feasibility and other expenses relating to the preparation of financing of the transportation projects incurred prior to the execution of the Loan.

Independent Auditors' Report

Members of the Central Texas Regional Mobility Authority:

We have audited the accompanying financial statements of Central Texas Regional Mobility Authority (the "Authority"), which comprise the statements of net assets as of June 30, 2013 and 2012, and the related statements of revenues, expenses and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Central Texas Regional Mobility Authority as of June 30, 2013 and 2012, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion on pages 1 to 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Indenture Cash Flow and Debt Service Coverage on page 33 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

As discussed in Note 1 to the financial statements, the Authority restated amounts previously reported as and for the year ended June 30, 2012.

CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

Notes to Financial Statements

June 30, 2013 and 2012

1. Organization and Summary of Significant Accounting Policies

The financial statements of the Central Texas Regional Mobility Authority (the “Authority”) have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Authority’s accounting policies are described below:

A. Reporting Entity - The Central Texas Regional Mobility Authority (the “Authority”) was authorized by the State of Texas in 2002. The Authority is authorized to construct, maintain, repair, and operate turnpike projects at locations authorized by the Legislature of the State of Texas and approved by the State Department of Transportation. The Authority receives its revenues from tolls, fees, grants, and rents from the operation of turnpike projects. The Authority may issue revenue bonds for the purpose of paying the costs of turnpike projects.

The Authority was formed through the joint efforts of Travis and Williamson Counties (the “Counties”). Their efforts began in September 2002, following the enactment of provisions by the 77th Texas Legislature authorizing the formation of regional mobility authorities (RMAs). The petition to form the Authority was filed by the Counties, and the Texas Transportation Commission granted approval for its formation in October 2002. The Counties appointed its initial board of directors in January 2003. Each County appointed three directors, and the Governor appointed the presiding officer. The members are appointed in belief that the composition of the board and the common interest in the region shared by all board members will result in adequate representation of all political subdivisions within the geographic area of the RMA and to serve without pay for terms of two years. The Authority has full control over all operations, but must comply with certain bond indentures and trust agreements. The Authority employs an Executive Director who manages the day-to-day operations.

In evaluating how to define the Authority, for financial reporting purposes, management has determined that there are no entities over which the Authority exercises significant influence. Significant influence or accountability is based primarily on operational or financial relationships with the Authority. Since the Authority does not exercise significant influence or accountability over other entities, it has no component units.

Liquidity – During the year ending June 30, 2013, the Company reported revenue of \$124.8 million, and a change in net assets of approximately \$77.7 million. Management believes that it has cash on hand, anticipated 2014 operating results, and available credit facilities that are sufficient to fund its operations through June 30, 2014.

CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

Notes to Financial Statements

June 30, 2013 and 2012

(Continued)

B. Basis of Accounting - The operations of the Authority are accounted for as an enterprise fund on an accrual basis in order to recognize the flow of economic resources. Under this basis, revenues are recognized in the period in which they are earned, expenses are recognized in the period in which they are incurred, depreciation of assets is recognized, and all assets and liabilities associated with the operation of the Authority are included in the Statements of Net Assets. Operating expenses for the Authority include the costs of operating the turnpikes, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

C. Cash, Cash Equivalents and Investments - Cash and cash equivalents include cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. These deposits are fully collateralized or covered by federal deposit insurance.

Investments are reported at fair value. The net change in fair value of investments is recorded on the statements of revenues, expenses and changes in net assets and includes the unrealized and realized gains and losses on investments.

D. Compensated Absences - Vested or accumulated vacation leave is recorded as an expense and a liability as the benefits accrue to employees. There are no accumulating sick leave benefits that vest for which any liability must be recognized.

E. Capital Assets - Capital assets, which include property, equipment, and infrastructure assets, are reported at cost. Capital assets are defined as assets with initial, individual costs exceeding \$500 to \$20,000 depending on asset category. Depreciation is computed on the straight-line method over the following estimated useful lives:

Roads and bridges, 40 years
Improvements, 5-20 years
Buildings, 20-30 years
Equipment, 3-7 years

A full month's depreciation is taken in the month an asset is placed in service. When property and equipment are disposed, depreciation is removed from the respective accounts, and the resulting gain or loss, if any, is recorded in operations.

The Authority capitalizes interest cost of restricted tax-exempt borrowings less any interest earned on temporary investment of the proceeds of those borrowings from the date of borrowing until the specified qualifying assets acquired with those borrowings are ready for their intended use.

F. Grants and Contributions - Revenues on grants and contributions include right-of-way property that is restricted to meeting the operational or capital requirements of a particular program. The Authority considers all grants and contributions to be 100% collectible.

CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

Notes to Financial Statements

June 30, 2013 and 2012

(Continued)

The Authority has entered into several grant agreements with the Texas Department of Transportation (TxDot) for construction costs using Highway Planning and Construction federal funding for transportation improvements. During the years ended June 30, 2013 and 2012, the Authority received \$92,205,336 and \$28,423,670, respectively, from TxDot. The Authority defers the recognition of revenue when funds are received in advance of when the amounts are earned. As of June 30, 2013, there was no deferred grant revenue.

During the year ended June 30, 2013 and 2012, the Authority received 100% and 90%, respectively, of total grant revenue from contracts funded through federal and state governments. It is possible that at some time in the future these contracts could terminate, or funding could be reduced. However, the Authority does not currently expect that these contracts will be terminated or that funding will be reduced in the near future.

- G. Investments** - The Authority invests funds in accordance with its investment policy, bond indentures, and the Texas Public Funds Investment Act. Investments are carried at fair value. Fair value is defined as the amount at which a financial instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The fair value is determined typically by quoted market prices.
- H. Restricted Assets** - Certain proceeds of the Authority's bonds and grants, as well as certain other resources, are classified as restricted assets in the statements of net assets because they are maintained in separate investment accounts and their use is limited by applicable bond covenants and grant agreements. The Authority's policy is to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.
- I. Income Taxes** - The Authority is an instrumentality of the State of Texas. As such, income earned in the exercise of its essential government functions is exempt from state or federal income taxes. Bond obligations issued by state and local governments are tax-exempt only if the issuers pay rebate to the federal government of the earnings on the investment of the proceeds of a tax-exempt issue in excess of the yield on such obligations and any income earned on such excess.
- J. Bond Premiums, Discounts, and Issuance Costs** - The Authority amortizes premiums and discounts over the estimated life of the bonds as an adjustment to capitalized interest using the effective interest method. Bond issuance cost is expensed as incurred.
- K. Classification of Operating and Non-operating Revenue and Expenses** - The Authority defines operating revenues and expenses as those revenues and expenses generated by a specified program offering either a good or service. This definition is consistent with the codification of Government and Financial Reporting Standards which defines operating receipts as cash receipts from customers and other cash receipts that do not result from transactions defined as capital and related financing, non-capital financing or investing activities.

CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

Notes to Financial Statements

June 30, 2013 and 2012

(Continued)

- L. Estimates** - The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Examples of management's use of estimates and assumptions include, but are not limited to, depreciable lives and estimated residual value of property and equipment, amortization period of deferred costs, and the valuation of investments.
- M. Reclassification** - Certain amounts reported in previous periods have been reclassified to conform to the current year presentation.
- N. Subsequent Events** - The Authority evaluates events that occur subsequent to the statement of financial position date of periodic reports, but before financial statements are issued for periods ending on such dates, for possible adjustment to such financial statements or other disclosure. This evaluation generally occurs through the date at which the Authority's financial statements are issued. For the financial statements as of and for the year ending June 30, 2013, this date was **September 27, 2013**.
- O. Recent Accounting Pronouncements** - In June 2012, the Governmental Accounting Standards Board ("GASB") issued GASB Statement No. 65 "Items Previously Reported as Assets and Liabilities". This statement establishes updated guidance for debt issuance costs and indicates that debt issuance costs include all costs incurred to issue the bonds, including but not limited to insurance costs, financing costs, and other related costs. Under GASB Statement No. 65 such debt issuance costs, except any portion related to prepaid insurance costs, are required be recognized as an expense in the period incurred. Prepaid insurance costs are required to be reported as an asset and recognized as an expense in a systematic and rational manner over the duration of the related debt.

The amended guidance was applicable for annual reporting periods on or after December 15, 2012. Accounting changes adopted to conform to the provisions of this Statement are to be applied retroactively by restating financial statements, if practical, for all periods presented. If restatement is not practical, the cumulative effect of applying this Statement, if any, is to be reported as a restatement of beginning net position or fund balance, as appropriate, for the earliest period restated.

Other accounting standards that have been issued or proposed by the GASB such as GASB Statement No. 63 "Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position and GASB Statement No. 66 amending Statement No.10 "Accounting and Financial Reporting for Risk Financing and Related Insurance Issues", in addition to accounting standards issued or proposed by other standards-setting bodies are not expected to have a material impact on the Authority's financial position, results of operations or cash flows.

P. Restatement of financial statements -The Authority has restated its 2012 financial statements from the amounts previously reported when the Authority adopted GASB Statement No. 65. The restatement includes an adjustment to (a) expense prior period debt issuance costs of \$10,258,143 related to the Series 2005, Series 2010 and Series 2011 bond obligations, and (b) to decrease total net assets by \$10,258,143. The effects of the restatement on the statement of net assets and statements of revenues, expenses, and changes in net assets as of June 30, 2012 are as follows:

	<u>June 30, 2012</u>	
	<u>Restated</u>	<u>As Previously Reported</u>
Total Assets	\$ 919,798,392	\$ 909,540,249

Beginning Net Assets	\$ 94,060,471	\$ 80,251,445

2. Cash and Investments

Deposit and investment resources are exposed to risks that have the potential to result in losses that could impact the delivery of the Authority's services. The Authority's Board has adopted an Investment Policy to set forth the factors involved in the management of investment assets for the Authority. The Authority seeks to mitigate risk by investing in compliance with the investment policy, qualifying the broker or financial institution with whom the Authority will transact, maintain sufficient collateralization, portfolio diversification, and limiting maturity.

As of June 30, 2013 and 2012, the Authority had the following investments:

Custodial Credit Risk

Deposits

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the Authority will not be able to recover its deposits or will not be able to recover its collateral securities that are in the possession of an outside party. While the Board has

no formal policy specific to custodial credit risk, operating bank accounts are fully collateralized with pledged securities.

At June 30, 2013, the carrying amount of the Authority's cash and cash equivalents was \$126,044,911. The bank balance was \$1,516,176 as of June 30, 2013. The remaining amount was maintained in money market accounts. At June 30, 2012, the carrying amount of the Authority's cash and cash equivalents was \$45,194,307. The bank balance was \$1,208,945 as of June 30, 2012. The remaining amount is maintained in money market accounts.

There is no limit on the amount the Authority may deposit in any one institution. The Authority was fully collateralized with pledged securities for amounts in excess of the FDIC limit for the year ended June 30, 2013 and 2012.

Investments

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, the Authority will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. Investment securities are exposed to custodial risk if the securities are uninsured, are not registered in the name of the Authority, and are held by the counterparty, its trust or agent, but not in the Authority's name. The Authority's investment securities are not exposed to custodial credit risk because all securities are held by the Authority's custodial bank in the Authority's name.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of the Authority's investment in a single issuer. The Authority is authorized to invest funds in accordance with its investment policy, bond indentures, and the Texas Public Funds Investment Act. Authorized investments include, but are not limited to: U.S. Treasury and Federal Agency issues, certificates of deposit issued by a state or national bank domiciled in the State of Texas, repurchase agreements collateralized by U.S. Treasury or Federal Agency securities, guaranteed investment contracts (GICs), obligations of states and municipalities, SEC registered no-load money market mutual funds, and local government investment funds. The Authority's investments are insured or registered and are held by the Authority or its agent in the Authority's name.

With regards to investment composition, the Authority's investment policy currently states that local government investment pools may not exceed 80% of the total investment portfolio less bond funds. Bond funds may be invested at 100% of total investment portfolio. No other parameters for investment composition are stated in the approved investment policy.

As of June 30, 2013 and 2012, the Authority's portfolio consisted of the following:

	<u>2013</u>	<u>2012</u>
TexSTAR Investment Pool	19.9%	20.7%
Certificates of Deposit	7%	-
United States Government Agency Securities	73.5%	79.3%

Interest Rate Risk

Interest rate risk is the risk that the changes in interest rates will adversely affect the fair value of an investment. Interest rate risk may be mitigated by investing operating funds primarily in shorter term securities, money market funds or similar investment pools and limiting the average maturity of the portfolio.

The Authority's investment policy notes that with regard to maximum maturities, the Authority will attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the Authority will not directly invest operating or general funds in securities maturing more than sixteen months from the date of purchase, unless approved by the Authority's Board. Investment of bond proceeds shall not exceed the projected expenditure schedule of the related project. Reserve funds may be invested in securities exceeding twelve months if the maturities of such investments are made to coincide as nearly as practicable with the expected use of the funds.

As of June 30, 2013 and 2012, all of the Authority's investments mature within one year. The weighted average maturity of the TexSTAR Investment Pool at June 30, 2013 and 2012 was 55 days and 47 days, respectively.

Credit Risk

Credit risk is the risk than an issuer or other counterparty to an investment will not fulfill its obligations to the Authority. To help mitigate credit risk, credit quality guidelines are incorporated into the investment policy, as follows:

- Limiting investments to the safest types of securities, as listed above under the 'Concentration of Credit Risk' section; and
- Pre-qualifying the financial institutions, brokers/dealers, intermediaries, and advisors with which the Authority will do business

The TexSTAR Investment Pool is rated AAA by Standard and Poor's and is fully collateralized and maintains a weighted average maturity of 60 days or less, with a maximum maturity of 13 months for any individual security. The amounts can be withdrawn with limited notice. The United States government agency securities are obligations of the U.S. government or obligations explicitly guaranteed by the U.S. government and are not considered to have credit risk.

Series 2005 Obligations

The Authority issued its Series 2005 Senior Lien Revenue Bonds on March 2, 2005. The Series 2005 Senior Lien Revenue Bonds were issued in part as Current Interest Bonds (Series 2005 CIBs) and in part as Convertible Capital Appreciation Bonds (Series 2005 Convertible CABs).

The proceeds from the Series 2005 Obligations were used to: (i) finance a portion of the costs of planning, designing, engineering, developing, and constructing the interim phase of the 183-A Turnpike Project, (ii) pay a portion of the costs of studying, evaluating, and designing additional turnpike projects within the Authority's jurisdiction, (iii) pay capitalized interest with respect to the Series 2005 Obligations, (iv) fund a debt service reserve fund for the Series 2005 Senior Lien Revenue Bonds, (v) provide working capital to the Authority, and (vi) pay the issuance costs of the Series 2005 Obligations.

The Series 2005 CIBs and Series 2005 Convertible CAB's were refunded and defeased in whole by the Authority on May 16, 2013 with portion of the proceeds of the Series 2013A Senior Lien Revenue Refunding Bonds and the Series 2013B Senior Lien Revenue Refunding Put Bonds, and other lawfully available funds of the Authority.

As a result of adopting GASB 65 "Items Previously Reported as Assets and Liabilities" (Note 1) all debt issuance costs related to the Series 2005 obligations were written off. The Authority had capitalized debt issuance costs to construction in progress during the prior years. As construction was completed these issuance costs were then capitalized as property, toll road and equipment and depreciated over the life of the assets. With the adoption of GASB 66 the capitalized issuance costs from prior years were written off to net assets.

Series 2010 Obligations

The Authority issued its Series 2010 Senior Lien Revenue Bonds and Taxable Series 2010 Subordinate Lien Revenue Build America Bonds (Series 2010 Subordinate Lien BABs) on March 1, 2010, collectively called the Series 2010 Obligations. The Series 2010 Senior Lien Revenue Bonds were issued in part as Current Interest Bonds (Series 2010 CIBs) and in part as Capital Appreciation Bonds (Series 2010 CABs).

The proceeds from the Series 2010 Obligations were used to: to (i) finance a portion of the costs of the 183A Phase II Project, (ii) currently refund and redeem, in whole, the Authority's outstanding Revenue Notes, Taxable Series 2009, (iii) pay capitalized interest with respect to the Series 2010 Obligations, (iv) make a deposit to the Senior Lien Debt Service Reserve Fund and

the Subordinate Lien Debt Service Reserve Fund, and (v) pay certain issuance costs of the Series 2010 Obligations.

The Series 2010 CIBs are scheduled to mature on the dates and in the principal amounts shown below. Interest on the Series 2010 CIBs is calculated on the basis of a 360-day year of twelve 30-day months at the interest rates shown below. Interest on the Series 2010 CIBs is payable on each July 1 and January 1, commencing July 1, 2010.

The Series 2010 CABs are scheduled to mature on the dates shown below at an aggregated maturity amount of \$176,120,000. The principal amounts shown below for the Series 2010 CABs represent the total amount of outstanding principal plus the accreted and compounded interest as of June 30, 2013. As of June 30, 2013, the aggregate maturity amount is \$44,781,359.

Interest on the Series 2010 CABs will accrete from the date of initial delivery to stated maturity at the interest rates noted below and will compound on each July 1 and January 1, commencing July 1, 2010. Such accreted and compounded interest will be paid as part of the maturity amount at stated maturity.

The Series 2010 Subordinate Lien BABs were refunded and redeemed in whole by the Authority on June 5, 2013 with a portion of the proceeds of the Series 2013 Subordinate Lien Revenue Refunding Bonds issued by the Authority on May 16, 2013, and other lawfully available funds of the Authority.

Under the bond indenture relating to the Series 2010 Obligations, the debt service reserve fund for the Series 2010 Senior Lien Revenue Bonds requires an amount equal to the least of i) the maximum annual debt service of all outstanding senior lien obligations, ii) 1.25 times the average annual debt service of all outstanding senior lien obligations, or iii) ten percent of the aggregate amount of the outstanding senior lien obligations, as determined on the date each series of senior lien obligations is issued.

TIFIA Bond

The U.S. Department of Transportation agreed to lend the Authority up to \$66 million to pay or reimburse a portion of the costs of the 2005 Project, including any refinancing of the Series 2005 Subordinate Lien BANS, under a secured loan agreement between the Authority and the U.S. Department of Transportation. On March 2, 2005, the Authority issued its 2005 TIFIA Bond to evidence its obligation to repay any borrowing under such secured loan agreement.

On January 1, 2008, the Authority borrowed the entire balance of \$66 million to pay down the Series 2005 Subordinate Lien BANS in full.

The 2005 TIFIA Bond was refunded and prepaid in whole by the Authority on June 5, 2013 with a portion of the proceeds of the Series 2013A Senior Lien Revenue Refunding Bonds and the

Series 2013 Subordinate Lien Revenue Refunding Bonds, issued by the Authority on May 16, 2013 and other lawfully available funds of the Authority.

Series 2011 Obligations

The Authority issued its Series 2011 Senior Lien Revenue Bonds and Series 2011 Subordinate Lien Revenue Bonds (Series 2011 Subordinate Lien Bonds) on June 29, 2011, collectively called the Series 2011 Obligations. The Series 2011 Senior Lien Revenue Bonds were issued in part as Current Interest Bonds (Series 2011 CIBs) and in part as Capital Appreciation Bonds (Series 2011 CABs).

A portion of the proceeds from the Series 2011 Obligations was used to (i) prepay the State Infrastructure Bank loan in full, (ii) redeem the Series 2010 Notes in whole, (iii) pay capitalized interest with respect to the Series 2011 Obligations, (iv) make a deposit to the Senior Lien Debt Service Reserve Fund and the Subordinate Lien Debt Service Reserve Fund and (v) pay certain issuance costs of the Series 2011 Obligations. The remaining proceeds of the Series 2011 Obligations were used to finance a portion of the costs of the Manor Expressway Phase II Project and as otherwise authorized in the Indenture.

The Series 2011 CIBs are scheduled to mature on the dates and in the principal amounts shown below. Interest on the Series 2011 CIBs is calculated on the basis of a 360-day year of twelve 30-day months at the interest rates shown below. Interest on the Series 2011 CIBs is payable on each July 1 and January 1, commencing January 1, 2012.

The Series 2011 CABs are scheduled to mature on the dates shown below at an aggregated maturity amount of \$22,130,000. The principal amounts shown below for the Series 2011 CABs represent the total amount of outstanding principal plus the accreted and compounded interest as of June 30, 2013. As of June 30, 2013, the aggregate maturity amount is \$10,641,550.

Interest on the Series 2011 CABs will accrete from the date of initial delivery to stated maturity at the interest rates noted below and will compound on each July 1 and January 1, commencing July 1, 2011. Such accreted and compounded interest will be paid as part of the maturity amount at stated maturity.

The Series 2011 Subordinate Lien Bonds are scheduled to mature on the date and in the principal amount shown below. Interest on the Series 2011 Subordinate Lien Bonds is calculated on the basis of a 360-day year of twelve 30-day months at the interest rate shown below. Interest on the Series 2011 Subordinate Lien Bonds is payable on each July 1 and January 1, commencing January 1, 2012.

Under the bond indenture relating to the Series 2011 Obligations, the debt service reserve fund for the Series 2011 Senior Lien Revenue Bonds requires an amount equal to the least of (i) the maximum annual debt service of all outstanding senior lien obligations, (ii) 1.25 times the average annual debt service of all outstanding senior lien obligations, or(iii) ten percent of the aggregate amount of the outstanding senior lien obligations, as determined on the date each series of senior lien obligations is issued. The debt service reserve fund for the Series 2011 Subordinate Lien Bonds requires an amount equal to the least of (i) the maximum annual debt service on the Series 2011 Subordinate Lien Bonds, (ii) 1.25 times the average annual debt service on the Series 2011 Subordinate Lien Bonds, or (iii) ten percent of the stated principal amount of the Series 2011 Subordinate Lien Bonds.

Series 2013 Obligations

The Authority issued its Series 2013A Senior Lien Revenue Refunding Bonds (Series 2013A Senior Lien Bonds), Series 2013B Senior Lien Revenue Refunding Put Bonds (Series 2013B Senior Lien Put Bonds), and Series 2013 Subordinate Lien Revenue Refunding Bonds (Series 2013 Subordinate Lien Bonds), collectively called the Series 2013 Obligations, on May 16, 2013. The proceeds from the Series 2013 Obligations were used to (i) refund the Series 2005 Senior Lien Revenue Bonds, the 2005 TIFIA Bond, and the Series 2010 Subordinate Lien BABs, (ii) make a deposit to the Subordinate Lien Debt Service Reserve Fund, and (iii) pay certain issuance costs of the Series 2013 Obligations.

The Series 2013A Senior Lien Bonds were issued as Current Interest Bonds in the aggregate amount of \$155,810,000 and are scheduled to mature on the dates and in the principal amounts shown below. Interest on the Series 2013A Senior Lien Bonds is calculated on the basis of a 360-day year of twelve 30-day months. Interest on the Series 2013A Senior Lien Bonds is payable on each July 1 and January 1, commencing July 1, 2013.

The Series 2013B Senior Lien Put Bonds were issued as Current Interest Bonds in the aggregate amount of \$30,000,000, constitute Variable Rate Obligations under the bond indenture and are scheduled to mature on the date and in the principal amount shown below. Through the period that commenced on the issuance date thereof and ends on January 3, 2016 (Initial Multiannual Rate Period), the Series 2013B Senior Lien Put Bonds will bear interest at a rate of 3.00% per annum. Commencing on January 4, 2016, the Bonds are subject to mandatory tender at a purchase price equal to the principal amount thereof plus accrued interest to such purchase date. If, on such date, all Series 2013B Senior Lien Put Bonds are not successfully remarketed, the Authority has no obligation purchase such Bonds on such date and all Series 2013B Senior Lien

5. Deferred Inflow of Resources

In accordance with Statement No. 65 "Items Previously Reported as Assets and Liabilities" the Authority has classified all the difference between the reacquisition price and the net carrying amount of the defeased debt as a deferred inflow of resources. The deferred inflow of resources is amortized over the term of the defeased bonds and recognized as a component of interest expense annually. As of June 30, 2013 the Authority the deferred inflow of resource balance was \$15,032,417.

6. Rebatable Arbitrage

Current federal income tax law and the bond indentures require that certain arbitrage profits earned on nonpurpose investments attributable to outstanding tax-exempt bonds must be rebated to the U.S. Treasury. The Authority has not accrued any rebatable arbitrage as of June 30, 2013.

7. Risk Management

In conjunction with its normal operations, the Authority is exposed to various risks related to the damage or destruction of its assets from both natural and man-made occurrences, tort/liability claims, errors and omissions claims and professional liability claims. As a result of these exposures, the Authority carries insurance with a governmental risk pool under an "all risks" policy. All categories of insurance coverage in place were either maintained at current levels or increased as to overall limits of coverage and reduction of self-retained risk so as to reduce the overall exposure of risk to the Authority. There were no settlements in excess of insurance coverage in 2013 and 2012.

8. Employee Retirement Plan

Plan Description - The Authority participates in the Texas County and District Retirement System (the System). The System is a non-profit public trust providing pension, disability and death benefits for the eligible employees of participating counties and districts. The System was established by legislative act in 1967 under authority of Article XVI of the Texas Constitution. The TCDRS Act (Subtitle F, Title 8, Texas Government Code) is the basis for the System administration. The System issues a publicly available annual financial report that includes financial statements and required supplementary information for the Plan. That annual report may be downloaded at <http://www.tcdrs.com>.

Funding Policy - Plan members and the Authority are required to contribute at a rate set by statute. The contribution requirements of Plan members and the Authority are established and may be amended. For 2013 and 2012, the contribution rate for the Plan members was 7.0% of gross pay. The Authority pays a matching portion to the defined contribution pension plan totaling 14% and 14 % of gross pay for 2013 and 2012, respectively, which totaled \$250,446 and \$261,951 for 2013 and 2012, respectively.

9. Disaggregation of Receivable and Payable Balances

Receivables are comprised of current intergovernmental receivables, representing 100% of the balance at June 30, 2013 and 2012. Payable balances are comprised of 100% current payables to contractors and vendors at June 30, 2013 and 2012.

10. Related Party

The Chief Financial Officer of the Authority is the President of The Texas Short Term Asset Reserve Fund (“TexSTAR”). TexSTAR is a local government investment pool organized under the authority of the Interlocal Cooperation Act, Chapter 791, Texas Government Code, and the Public Funds Investment Act, Chapter 2256, Texas Government Code. The Authority has investments of \$24,003,529 and \$55,416,489 in TexSTAR as of June 30, 2013 and 2012, respectively.

11. Commitments and Contingent Liabilities

Commitments

On May 2013, the Authority entered into a 10-year lease agreement for office space at 3300 N. IH 35, Austin, Texas. The aggregate future minimum lease payments under the new lease are as follows:

2014	\$	250,402
2015		311,859
2016		323,627
2017		335,395
Thereafter		<u>2,190,202</u>
	\$	<u>3,411,485</u>

The Authority’s total rental expense for fiscal years 2013 and 2012 amounted to \$200,908 and \$211,666, respectively.

Litigation

The Authority is involved in other miscellaneous litigation arising in the normal course of business and the Authority's management believes there are substantial defenses against these claims. The Authority believes the resolution of these lawsuits will not have a material adverse effect on its financial statements.

12. Due from Other Agencies

Due from other agencies is comprised of amounts due from other Texas tolling authorities related to toll tag transactions on the Authority's toll road. The Authority does not issue toll tags; however, the Authority has contracted with the Texas Department of Transportation (TxDot) to handle customer service and operations related to the toll tag transactions. As of June 30, 2013 and 2012, the receivable from the TxDot authority comprises approximately 94% and 17% respectively, of the total balance due from other agencies. Due to the maturity of multiple United States government securities held by the Authority at the end of fiscal year 2012, the Authority had a substantial balance due from the United States Treasury (US Treasury) that was funded to the Authority in July 2012. As of June 30, 2013 and 2012, the receivable from the US Treasury comprises approximately 0% and 79%, respectively, of the total balance due from other agencies.
