

### September 28, 2016 AGENDA ITEM #9

Approve Amendment No. 8 to the Agreement with Stantec Consulting Services, Inc., for traffic and revenue consulting services

Strategic Plan Relevance: Regional Mobility

Department: Finance

Contact: Bill Chapman, Chief Financial Officer

Associated Costs: \$3,000,000

Funding Source: Operating Fund or General Fund

Board Action Required: Yes

Description of Matter:

Since 2007, Stantec has provided traffic and revenue consulting services to the Mobility Authority. This proposed amendment authorizes additional work by Stantec for traffic and revenue studies related to existing and new Mobility Authority projects in an amount not to exceed \$ 3,000,000.00.

Backup provided: Draft Amendment

**Draft Resolution** 

# GENERAL MEETING OF THE BOARD OF DIRECTORS OF THE CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

#### **RESOLUTION NO. 16-0XX**

# APPROVING AMENDMENT NO. 8 TO THE AGREEMENT WITH STANTEC CONSULTING SERVICES INC. FOR TRAFFIC AND REVENUE SUPPORT SERVICES FOR EXISTING AND PROPOSED MOBILITY AUTHORITY PROJECTS

WHEREAS, by Resolution No. 07-62, dated October 3, 2007, the Board of Directors authorized an agreement with Stantec Consulting Services, Inc. ("Stantec") to provide traffic and revenue studies for the Mobility Authority (the "Agreement"); and

WHEREAS, since 2007 the Authority has extended the original contract and Stantec has continued to provide traffic and revenue studies and services for the Authority; and

WHEREAS, the Authority has a continuing need to monitor traffic and revenue for its existing toll projects and for new Authority projects, and the Executive Director recommends continuing to use Stantec for traffic and revenue services described in the proposed Amendment No. 8 to the Agreement which is attached to this resolution as <a href="Exhibit A">Exhibit A</a>.

NOW THEREFORE, BE IT RESOLVED, that the Board of Directors authorizes the Executive Director to negotiate and execute Amendment No. 8 to the Agreement in the form or substantially the form attached as Exhibit A to this resolution.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 28<sup>th</sup> day of September, 2016.

| Submitted and reviewed by:       | Approved:                                     |

Mr. Bill Chapman, CFO Central Texas Regional Mobility Authority 3300 North IH-35, Suite 300 Austin, TX 78705

Reference: Stantec Professional Consulting Services Agreement, 8th Amendment

Dear Mr. Chapman:

We are pleased to deliver our scope and budget (Exhibit A) to provide continuing Traffic and Revenue Consulting Services to the Central Texas Regional Mobility Authority as it moves forward with various toll road projects now in operation or in the planning stages. Following is a description of the anticipated work efforts that would be provided under this agreement:

#### Level 3 Traffic & Revenue (T&R) Studies -- 2 projects

We anticipate conducting two investment grade T&R studies over the next 3-year period and have included those efforts in our scope and budget. These studies would be similar to the October 2015 Bergstrom Expressway T&R Study. Each of the studies will produce traffic & forecasts and documentation suitable for financing, including coordination with the financial team as well as meetings and presentations to rating agencies and investors. We will use our latest edition of the regional traffic model and fully update the required inputs, including validating the peak period baseline conditions to actual levels in the study area; this will be vital to reflect presence of new projects with managed lanes. We have included an allowance for subconsultants to conduct specialized studies such as demographic updates, traffic counts & surveys and stated preference surveys.

#### Level 2 Intermediate T&R Study -- 1 project

The scope of this study would be less extensive than a Level 3 Study, with fewer surveys and validation efforts, but would provide a reasonable basis for deciding whether to advance the project to the financing stage.

#### Level 1 Preliminary T&R Studies -- 2 projects

This effort would use the latest version of the traffic model for planning purposes to support preliminary feasibility studies of new projects or changes to existing projects. As the underlying traffic model would be based on a Level 3 baseline, only limited new surveys would be conducted for the Level 1 Study, sufficient to provide an initial reading on likely traffic & revenue potential of the project.

#### Monitor & Support (Ongoing Efforts)

We will monitor the transaction and revenue data for 183A, the Manor Expressway and other elements that become operational, comparing actual conditions to forecast levels and identifying reasons for potential variations. We anticipate conducting sketch level studies and project evaluations, toll schedule evaluations, simulation studies and miscellaneous support in our role as the Authority's Traffic Consultant.

Stantec will be the prime consultant on this assignment, drawing on the expertise of subconsultants as needed for specialized studies. These may include Michael Bomba, Alliance Transportation Group, CJ Hensch & Associates, Quality Counts, GRAM Traffic Counting, and Resource Systems Group.

Our project personnel are especially qualified to undertake this work. Tom Harknett will function as the Principal in Charge and also serves as Stantec's Practice Leader for the Traffic and Revenue Studies Group. I will be the Project Manager (PM), with 30+ years of experience in toll feasibility studies and more than 15 years of involvement in Austin-based projects for the Mobility Authority as well as TxDOT. Sumeet Kishnani will be the Assistant PM and other key staff will include Tiffany Carson and Ann Hughitt.

Exhibit A presents a summary and details of the anticipated typical budget levels for the tasks described above. As discussed with you, the total budget is \$3,000,000.

We look forward to working with you in the coming years.

Very truly yours,

STANTEC CONSULTING SERVICES INC.

William Ihlo, PE Principal
