Dear Mike:

Thank you for taking time from your busy schedule to attend the TTI Advisory Council annual meeting last month. These gatherings are very productive for the TTI leadership. Your participation is of great assistance to us in identifying the most pressing transportation issues in our state and in defining our research initiatives.

Our discussions transportation research needs and legislative session priorities were especially helpful to us in setting our research agenda.

You are providing a tremendous service to TTI and the state of Texas through your service on the TTI Advisory Council. We appreciate your input and ongoing support. Enclosed is a copy of our group photo to commemorate our time together.

I appreciate the Council's recognition of my decade of service as TTI's Agency Director. One of the highlights of my tenure has been the great honor of working with all of you. If I or TTI can ever do anything to be of assistance to you, please feel free to contact me.

Very truly yours,

  
Dennis L. Christiansen, P.E.  
Agency Director
