ATTENTION CONSULTANTS

CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY

NOTICE OF FORTHCOMING PROCUREMENT: General Engineering Consultant (GEC) Services

KEY CONTRACT INFORMATION:

ITEM	DETAILS
Consultant scope	GEC Services
RFQ issuance date	Week of March 7, 2024
Anticipated duration	3 to 7 years

SUMMARY OF OPPORTUNITY

The Central Texas Regional Mobility Authority (Mobility Authority) anticipates beginning the process to solicit proposals from entities interested in providing the Mobility Authority with GEC services to provide general consulting civil engineering and support services.

The Mobility Authority invites all qualified entities to provide Statements of Qualifications (SOQ) in accordance with the RFQ once it is issued.

MORE INFORMATION FOR INTERESTED PARTIES

As currently scheduled, the RFQ will be available during the week of March 7, 2024. Information regarding this RFQ will be made available on the Business Opportunities section of the Mobility Authority's [website](#).

Periodic updates, addenda, and clarifications will be posted on the Mobility Authority's website, and interested parties are responsible for monitoring the website accordingly.

The Mobility Authority will evaluate SOQs and potentially interview short-listed proposers.

It is the policy of the Mobility Authority to encourage the participation of minorities and women. The commitment of the proposing entity to utilize

disadvantaged business enterprises (DBE) will be considered in the RFQ evaluation process. Each proposing entity will be evaluated based on the criteria and process set forth in the qualifications based RFQ.
